36	We need businesses that are unique to our community, that someone can only get here. Not cheap tourist type stores with stuff you can get in any touristy town. Preserve the folksy, old, small town charm.	Mar 10, 2012 11:14 AM
37	Office supply/copy shop, garden center, and a variety store of some kind is really all I'm missing. Most of the above things are available, except the bowling alley, which I would not use.	Mar 9, 2012 10:04 PM
38	Restaurant depends on type. Pizza, thai or chinese. More expensive, mediocre food, no. Any more restaurants will put the ones we have out of business. It would be great to have a pool/gym/fitness center - but in a town of 1000? Flooding a place in the park for ice skating would be fantastic! Office/art/craft supplies. An affordable, multi-disciplinary, holistic health clinic would be good for everyone! The Library closer to town.	Mar 9, 2012 9:53 PM

I want to see us creating our own products/services locally in a meaningful way and exporting certain special products to other communities to bring revenue in and send some crestone style sustainability out. 42	The real beauty of Crestone is that these types of businesses are distractions and eye-sores do not exist here. They detract and distract from the importance of our relationships with each other and nature. We have more than enough cafes and restaurants already heavily competing with each other. We do not need more.	Mar 8, 2012 8:49 AM
43	Movie/Live theater (Theater Arts) The others I didn't check are maybes that depends on the services offered. A spa. A multi purpose community center. Entertainment options for visitors. Promote and use what you have (stables and	Mar 8, 2012 8:06 AM

44	I don't know if this is the right place to put this, but I equate cottage industries with light industrial use, and downtown is NOT the place for this.	Mar 5, 2012 1:45 PM
45	Coffee/bake shop with lounging area and books, some crafts - a place to hang out and visit with friends and neighbors. The Knit Shop and Bliss cafe are good examples but tend more to the "restaurant" category.	Mar 5, 2012 10:27 AM
46	Musical instruments and locally made products and artists should be featured.	Mar 2, 2012 10:49 AM
